* ARGON - WAIVERS FOR A 12 MONTH PERIOD MUST MEET THE FOLLOWING CRITERIA:

1. Thirty days (30) prior to the expiration date of the free 180 days, the customers must notify in writing (e-mail acceptable) to:
DET 3, WR-ALC/SFSP, Mr. Pete Perez, Bldg 1621-K, 2261 Hughes Ave, STE 123, Lackland AFB, TX 78236-9823.
E-mail address: pete.perez@lackland.af.mil
Please include a justification as to why the organization must keep the cylinders beyond the free time. Day one starts upon the date of delivery.
2. If the customers does not notify SFSP, Mr. Perez, in writing, monthly fees will commence on the 181st day at \$600 a month per cylinder.
3. Cylinders purchased by our organization are not authorized to be refilled with argon other than the argon procured contractually by our organization.
4. If a certain level of product in cylinders must be maintained (purchaed by the customers) for WRM, the cylinders must be rotated at yearly intervals.
5. Request for credit of full cylinders will be in accordance with AFMAN23-110CD.

Monthly charges are for 30-day periods and not prorated by number of days.

Costs associated with the rental/holding of any container will conclude when a phone call is made to Det 3. WR-ALC/SFSP to pick up the container/trailer.

** HELIUM TRAILERS

The customer will be charged for all transportation costs incurred in the delivery and return of the trailer if the trailer is returned with 70% or more product remaining in the trailer. The customer will receive credit for all product returned less the transportation costs and and any other associated costs.
